

Donate First

The City encourages residents to donate to local charitable organizations. Go to

www.SugarLandTX.gov/Charities

for a list of places to donate locally.

Thank you for keeping reusable and recyclable materials out of landfills—giving the items a second life!

Recycle Second

Don't Trash

CITY OF SUGAR LAND

Curbside
**TEXTILE
RECYCLING**
Program

Recycle Second

Don't Trash
85% of clothing
and other textiles
end up in landfills.

1. Use the orange Simple Recycling bags to recycle housewares and textiles.

Textile recycling is a free service provided once a week on your recycle day. If you use your own containers (boxes or bags), they need to be clearly marked with a label so as not to be confused with trash. Labels can be downloaded from www.SugarLandTX.gov/TextileRecycling.

2. Leave the recyclable items at the curb, 3 feet away from the carts on your regular recycling pickup day.

Place the bags at the curb by 7 a.m. on your recycle collection day. It is important to leave space between each cart and the bag(s) so that the trucks that pick up the carts do not damage them. In fact, on all solid waste collection days, residents should leave a few feet between carts, bags for textile recycling, green waste, bulk waste, vehicles, etc.

3. Simple Recycling will collect the items and recycle them for reuse.

When the items are picked up, replacement bags will be provided. If you still need more bags, go to www.SugarLandTX.gov/TextileRecycling to request more.
